

" Join the Book Revolution at SSR: Empower the minds of the future of our nation,  
donate today!"

Mission # EMTLS

A book is a gift you can open again and again

Sainik School Rewa envisions that a Book gives a soul the universe, wings to the mind, flight to imagination and life to everything. An out reach mission # EMTLS (Empowering Minds through Literature at SSR) is initiated in this prestigious institute. We call upon our alumni to contribute and donate good books with academic and personality values for the benefit of the young minds in fostering reading habits and self-development. Your generous donation will not only benefit our cadets but also enrich our association for eternity.
